CV Melvi Ayana Nusantara is an Indonesia-based export-oriented company specializing in the supply of high-quality agricultural and biomass commodities for global markets.

ABOUT US

A Brief Story About The Company

CV Melvi Ayana Nusantara is an Indonesia-based export-oriented company specializing in the supply of high-quality agricultural and biomass commodities for global markets.

We provide premium **Charcoal Briquettes, Wood Pellets, Nutmeg, Fresh Banana Leaves, and Dried Indian Almond Leaves, Semi-Husked Coconut, and Copra** for importers, wholesalers, and international distributors.

Our products are sourced from reliable Indonesian producers and processed under strict quality control to ensure consistent specifications, competitive pricing, and export-grade performance. We support bulk supply requirements with flexible packaging options, private labeling upon request, and professional export documentation, including COA, COO, phytosanitary and fumigation certificates where applicable.

With strong commitment to integrity, timely delivery, and long-term partnership, CV Melvi Ayana Nusantara aims to become your trusted supplier from Indonesia for sustainable and dependable export solutions worldwide.

CV Melvi Ayana Nusantara

OUR GLOBAL REACH

THANK YOU

we unlock the vast potential of the Indonesian Archipelago. Our enterprise is built upon a foundation of diversity, seamlessly connecting the world with selected natural treasures: the unmatched purity of our cocofiber and cocopeat, the high-grade excellence of our palm kernel derivatives, and the distinct, rich flavors of our premium spices and culinary ingredients. We deliver nature's best, authenticated by Indonesian origin and processed to the highest international standards.
